

## Appendix B. File Structure

The zip file submitted as fulfilment of this project contains the git-repository, and the report PDF that you are currently reading. Within the **git-repository/** folder there is the system contained in the **brexit/** folder and the files which make up the report in the **report/** folder.

## Appendix C. System Usage

The System uses an AWS database which is currently under paid subscription so as a measure of restricting usage of this, the access to the System has been restricted and thus **viewing the System must occur via UoBWifi or eduroam wifi connection.**

System URL: <http://www.senticle50.co.uk/>

Jenkins URL: <http://www.senticle50.co.uk:8080/>

For running the system locally see ReadMe.md contained within the **git-repository/** folder.
